ON OUR *cover*

Ali Larter arrived at our L.A. photo shoot grinning broadly and wearing a gigantic new engagement ring. "I've never been a huge jewelry girl," she said, "but I'm never taking this off." The *Heroes* star was also thrilled to see the racks of neutral-hued clothes we'd brought along for her consideration: "I think an outfit of different shades of white is such a strong, clean look," said Larter. "As long as I can make it to the end of the shoot without spilling anything, we'll be in business!"
